#### Open It Up

- Who, in your opinion is a great historical leader? Why?
- What is an area where you are a leader? How do you feel about being in that role?
- How would you define effective leadership?

#### Dig In Deeper

- What failure do you struggle with getting past? Why is this difficult? Is confession necessary so you can be freed from it?
- What opportunities has the Lord put you in so you can represent God to the people? How can you improve in this priestly duty? Are there areas where you "change the picture" of Christ? Why? How can you be more effective in this area?
- How well does your walk match your talk? Why is there a difference? What change needs to be made so these two areas of authentic leadership match?

#### Think It Through

- Why do you think it's hard to be honest/transparent in church? What can you do to make it make it easy to be honest at church?
- Which is harder: 1.) Having your walk match your talk or 2.) Being honest about your walk presently? Why? What can be done for you to bring honesty to this area of your testimony and life?
- What are areas where you struggle and need to be honest/transparent so you can be free up, encouraged, built up in the faith and prayed for?
