#### Open It Up

- What is a lesson you've learned from an "unusual" source?
- What is a lesson where it took two more times of going through circumstances before you learned the point the Lord had for you?

#### Dig In Deeper

- When was a time where the "divine hand of providence" spared you from a difficulty or defeat?
- What circumstances can cause you to take your eyes off the Lord to look towards the gifts that surround you or your "greatness"?
- When was a time that Lord far exceeded your expectations and solved an "unsolvable situation"? What did He do?
- How do you respond to a "harsh warning" that the Lord brings into your life? With "welcome" or "withdraw"?

#### Think It Through

- What is a circumstance in your life right now where you've taken your eyes off the Lord and you're trusting in "the gifts" or "your greatness"?
- Are you continuing in "God's Goodness"? Why?
- Take time today to talk with the Lord to repent for those things you've given greater worth or priority than the Father.
