

## **Bible Summary**

1 Corinthians 6:20

Belonging and Becoming

Two fundamental needs we have as humans are to belong and to become. Scripture makes it clear that those who have faith in Jesus belong to Him, and we belong to Him in a bonded eternal way to never to be cast away. We are secure. But we also need to be moving, growing, developing and Scripture provides us with the means to be transformed into something more brilliant than we can imagine.
