

## **Bible Summary**

Daniel 10

Territorial Demons – What??

Daniel is a spiritual book full of visions, divine dreams, angels and demonic dark powers. In chapter 10 we get a glimpse behind the veil into a different realm. An angel is delayed three weeks because of a battle with the power over Babylon. Only with help from another angel is this angel able to make it to Daniel. This chapter gives us insight into that realm by teaching us what caused this battle, what was this force over Babylon and the ripple effect of that realm on ours.
